

Comprehensive
Plate Cover System

ONEIDA[®]
Designing the dining experience.™

Elevating your Banquet Experience

Plate Cover System

The innovative plate cover system features three core shapes which allow full versatility for any banquet need. The covers not only keep food warm, but they also add sophistication to banquets or in-room dining with their polished finish and sleek style. The finger hole allows for easy lifting of the cover.

5 Crown Cover (round) A versatile cover that fits 5 different patterns.
